"What sculpture is to a block of marble, education is to the human soul." Education is truly the soul of a society as it is passed on from one generation to another. It is for us educationists to ensure that this inheritance is one that is not constrained by the intellectual and emotional limitations. We, at DPS Kota are committed to providing a comprehensive, holistic education to develop the students into academically proficient, morally upright and socially well-integrated individuals. The compelling challenge of the contemporary education system is to balance the pursuit of success on the one hand, and morality and prudence on the other. These are the two bases on which education should be constructed.

“Freedom is not worth having if it does not include the freedom to make mistakes.” – Mahatma Gandhi

I extend my warm greetings to all readers of this first edition of our school newsletter. It is a proud moment for us to launch this initiative on the auspicious occasion of Independence Day. This edition is a tribute to the values of freedom, unity, and sacrifice that define our great nation. Independence Day is not only a celebration of our hard-won freedom, but also a reminder of our shared responsibility to uphold the principles of justice, equality, and integrity. It inspires us to work with dedication, respect, and compassion—values that form the very foundation of our school community.

I encourage our students to draw inspiration from the courage and vision of our freedom fighters, and to channel that spirit into their academics, co-curricular activities, and personal lives. May this newsletter serve as a platform for creativity, expression, and the sharing of ideas, bringing us all closer together as a community.

I congratulate the editorial team, contributors, and all those involved in making this edition possible. Let us continue to learn, grow, and strive for excellence while keeping the flame of patriotism alive in our hearts.

<Do or Die>

If I could choose, I would march along with Gandhi during the salt satyagrah. I would be one of the silent thousands, a grain of sand in a peaceful sea of defiance, walking not with weapons but with unshakable resolve. The sun would beat down, but our purpose would burn brighter. We had transformed a handful of stolen salt into a symbol of a nation's soul — pure, unbreakable and self-sufficient. This wasn't just about freedom from tax; it was about the courage to stand tall, even when facing a storm of injustice. To me, that moment where entire people find their voice in a simple act of defiance is the most profound kind of liberation.

EXTRA CO-CURRICULAR ACTIVITIES 'NURTURING TALENTS, SHAPING FUTURE'

**"GOOD HANDWRITING IS THE MIRROR OF A
DISCIPLINED MIND"**

Delhi Public School, Kota is celebrating the Art of Handwriting. In our fast-paced digital world, the beauty of handwriting still holds a timeless charm. This week, our young learners explore the magic of pen & paper through a special handwriting activity. With each curve, loop & line, children practiced not just letters – but patience, focus & creativity. The activity encouraged neatness, correct letter formation and spacing, while also giving students the joy of seeing their thoughts beautifully take shape.

**NEWSPAPER CRAFT
"TURNING PAGES INTO POSSIBILITIES"**

Old newspapers found a brand-new life in our exciting Newspaper Craft Activity! Students rolled, folded, cut & twisted pages into amazing caps – showing creativity can turn even yesterday's news into today's art.

This hands-on activity was not only fun but also taught children the importance of recycling and reusing materials. Every piece reflected creativity, team-work & eco-friendly thinking.

It was a wonderful reminder that art doesn't always come from new supplies – sometimes, it's hiding right in the pages of a newspaper!

BAND OF UNITY "TYING HEARTS TOGETHER"

The band of unity is a beautiful way to celebrate friendship, harmony & togetherness. Just like a thread ties two ends, this band symbolizes the bond that connect hearts beyond differences of language, culture or background. When we tie the band of unity, we promise to support each-other, respect one-another and stand together as one family. It reminds us that unity makes us stronger and that together, we can create a world filled with peace, kindness and love.

PANCHATANTRA STORIES "THESE ANCIENT TALES REMIND US: WISDOM IS THE GREATEST TREASURE OF ALL"

The Panchatantra is one of India's most treasured collections of moral stories, believed to be over 2000 years old. Written by Vishnu Sharma, these tales use animals and nature to teach important life lessons. Each story carries a simple yet powerful message about honesty, friendship, kindness and wisdom. The Panchatantra reminds us that stories are not just for entertainment, but also for shaping good character and decision-making skills.

As we draw the curtain on this special Independence Day edition of our school newsletter, our hearts are brimming with gratitude. This magazine stands as a testament to the creativity, dedication, and enthusiasm of our entire school community. Every article penned, every poem woven, every stroke of art, and every captured photograph tells a unique story—stories of passion, talent, and a shared love for our country.

This first edition is not just a collection of pages; it is a seed we have planted together—a platform for students to voice their thoughts, for teachers to share their wisdom, and for our school to celebrate its collective achievements. Just as our great nation's freedom was hard-won through courage, unity, and sacrifice, this publication too has been shaped by teamwork, perseverance, and a common vision.

We hope that within these pages, you have found inspiration—be it in a young writer's words, an artist's imagination, or the patriotic fervour captured in an image. May these expressions encourage us all to dream without limits, to act with integrity, and to live each day upholding the ideals of freedom, equality, and service.

As we salute our nation's tricolour, let us remember that patriotism is not confined to a single day of celebration—it is lived through kindness, respect, and the choices we make every day. Let us pledge to keep that spirit alive in our classrooms, our homes, and our hearts.

To our readers—thank you for being part of this journey. This is only the beginning, and together, we will fill many more editions with stories worth telling. Until we meet again in our next issue, stay inspired, stay united, and keep the tricolour flying high—always.
