

Delhi Public School, Kota

Session 2020-21

Dear Parents,

Welcome to the new academic session 2020-21

In an attempt to ensure that the learning of our students is not hampered due to the lockdown period in the consequence of Covid-19 outbreak, we are introducing an E-learning platform. This learning platform will facilitate learning where teachers will present quality content with a thorough explanation through PowerPoint Presentations. In addition to this, worksheets, modules, assignments and the corresponding workbook pages will be included to reinforce the conceptual learning. To ascertain concept clarity, a follow up assignment will also be sent at the weekend.

The teachers will also be available to address the queries and clear doubts of students, if any from Monday to Friday between 9:00 am to 12 noon.

The lockdown has deprived our kids of their vital outdoor playtime therefore a few videos and links will also be sent to keep them physically active and in good health, even when indoors. Apart from taking care of academics, utilize this time to bond with your children and foster life skills, good habits and values among them. We wish you spend quality time with them.

Here are a few guidelines:

- Set a routine for them and teach them the importance of time management.
- Read a value-based story everyday at bed time with your child .
- Reconnect with them by playing indoor games and sharing your life experiences.
- Make sure they help you in your daily chores.

We seek your support in our endeavor to make this critical time as constructive and productive as we had originally planned for our students.

Stay Home
stay safe

*Stay Healthy, Stay Strong,
Stay Positive, Stay Home
Wishing you and your family a very good health!*

Anshu Sehgal
(Headmistress/ Principal)
