Dear Parents,

Greetings!!!

Procedures for HALF YEARLY EXAMS 20-21

Dear Parents

Learning and growing are innate processes of any child's life. This is one of the best gifts which as parents we give to our children.

Learning is incomplete without assessments. We have already conducted Unit Tests and now **Half Yearly Examinations shall begin from second week of Oct.**

Date Sheet is also shared along with.

The details of procedures are as follows:

1. The school will be sharing a fixed number of answer sheets specific to each child. The sheets will be sent home by the school bus.
2. On specific day of the exam, the question papers will be shared by school via Zoom. Our Teachers will be virtually present with all children during the exams.
3. As the exam gets over, parents will have to immediately click images of the answer sheet of that day & upload on the WhatsApp number. All images must reach us within 15 minutes of exam time getting over.
4. On the same exam day, the School Bus will move on the earmarked route to collect all the answer sheets. The answer sheets must be submitted without fail.
5. Parents of students in KG classes will collect the worksheets from the school bus & then return to the school bus on the date given. Note: The images of the specific worksheet for assessment shall be uploaded by the parents immediately after the assessment is over.

COVID 19 has taught a lot of things, like learning Online, THOUGH Offline & physical attendance is school is incomparable.

COVID has taught us being simple, humbler & more tolerant.

Honesty is a virtue and as we get into the process of getting the exams conducted, we believe & request parents to assist us in making the students write the exams properly.

A **separate Zoom Virtual meeting** for Half Yearly Exams will be conducted **with parents**. We will share the link **soon**.

Happy Learning!!
