"GROWING STROKES"

Dear All

Greetings!!!!

Welcome to "Growing STROKES" Learning Sessions by Dr Sapna Agrawal Ma'am...

We are ready once again to take a leap ahead to help children learn and grow.

To learn or acquire any language it requires skills and the skill set is LSRWT.

(Listen, Speak, Read, Write and Think)

I will be personally conducting these sessions for various classes and the ZOOM id & schedule for the same is mention below

Few points to make this journey happy...

1. As we want to build consistency in conversations as well as give enough time for children to process their learnings, the classes are designed with fixed time slots. Each class has a learning outcome (LO) which is scaffolded and built on the LO of the previous class. We request you to ensure that children attend all their scheduled classes to derive the best possible learning from these series of sessions.
2. Missing a scheduled class will break the flow in which the child is learning.
3. Request you to keep your zoom app updated and please ensure internet connectivity at your end is stable as well. Please ask the children to sit in a comfortable and a bright place in your home.
4. Child must keep the camera On & mike Off during the class. It is imperative to know how to unmute & mute
5. Child must keep a notebook & a Pen/Pencil with oneself in all sessions.
6. Parents can/may monitor all classes but avoid prompting answers/ discussions as it is not in the benefit of the individual child.
7. Children are learning the techniques of LSRWT (Listen, Speak, Read, Write, THINK).
8. Every Child is Unique & there is no Competition amongst.

So be ready to get started.
